Our goal is to unite parents in a cooperative effort to share god's knowledge and love and presence. We believe that our school is a vital part of the church because it fulfills its mission of nurturing the individual in God's love. We can give children the opportunities to experience Christian care, forgiveness, nutrition, and discipline in a wide variety of social and curricular areas, in a way that cannot be attempted by any secular or public institution, since these are areas of church life specifically. Our goal at WEE World is to provide a loving, caring and exciting atmosphere. Each class has a teacher with a university degree or Child Development Equivalent and a teacher's assistant. All employees met HRS requirements and were trained for 40 hours in the areas of child development, assessment and observations, rules and regulations, abuse health and safety. In an attempt to keep the class size small, the 2-year-old classes have a maximum of 1 teacher to 6 students, the 3 have a proportion from 1 to 8, and the 4-year classes have a maximum ratio of 1 to 8. In addition to being licensed by HRS, WEE World has received the Florida Department of Children and Families Gold Seal Award and is accredited by the National Accreditation Commission for Early Childhood Education and Education Programs (NAC). This accreditation, along with our Christian-based curriculum, ensures that your child is getting the best preschool experience we can give.
